

Introducing John's third book

101 WAYS TO JUMP START YOUR INTUITION

JOHN HOLLAND

The best selling author of "BORN KNOWING" and "PSYCHIC NAVIGATOR"

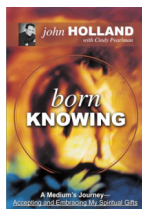

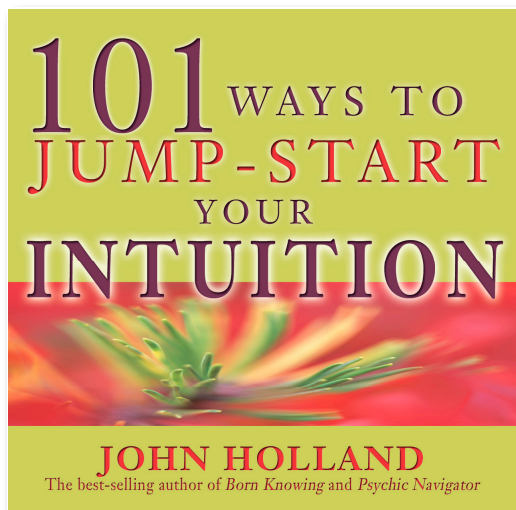

Intuition is the language of the soul and we're *all* born with the natural ability of an inner-knowing. As we go through life we have an inborn tendency to pull away from what was once, totally natural to us. In *101 Ways to Jump Start Your Intuition*, Psychic Medium John Holland guides you through 101 *quick* and *easy* lessons to help you understand, develop, and work with that inner sense of intuition. As adults, we all know how hard it can be to pay attention to that gut feeling (and I don't mean wishful thinking), when our logical mind has a totally rational answer for almost everything. This book will teach you how to accept and to go with your first impression

101 Ways to Jump Start Your Intuition will become your companion as you rely *more* on intuition into your life for direction, insight, clarity, and wisdom on a daily basis.

Learn how intuition can help you to:

- Improve your relationships
- Enhance your creative ability
- Help make the most of your career
- Receive intuitive guidance on important decisions and so much more

Each of the mini-lessons comes with its' own affirmation or inspirational statement, to compliment and strengthen each of the 101 lessons. This book reinforces that *intuition* is a reminder of the power of the human spirit, but more importantly that when we listen to its' advice, it can lead us to a life of unlimited potential.
